

Satisfied Customers and Associates

*Danny is outstanding in his field. He is honest, trustworthy and dependable. He will "tell it like it is." If you don't need foundation repair work, he will tell you that. You can believe what he says. Danny McBride's company, Coastal Bend Foundation Repair, is the **only** foundation company as far as I'm concerned.*

*Jeff Lenhart, Realtor & Customer
Coldwell Banker, Victoria, TX*

Over the past 20 years, I can say that our clients have been very pleased with the timely work, pleasant service, dependable guarantee and concerned follow-up from Coastal Bend Foundation Repair. When foundation work is a question, they are the call to make for answers.

*Raymond Harrison, Jr., Realtor
Harrison Realtors, Victoria, TX*

"For the past 20 years, Coastal Bend Foundation Repair has leveled and stabilized approximately fifty foundations on which I was the Project Engineer. I have always found Mr. McBride and his crew to be very competent and courteous. They go the extra mile to satisfy their clients."

*A.C. Frankson, P.E.,
President, Balusek-Frankson & Associates, Inc.
Victoria, Texas*

"What a pleasure it is to write a rave review for Coastal Bend Foundation Repair! Having been disappointed many times in companies which promise much and deliver little, I was more than satisfied with the great service of this company. They were informative about the amount of time needed to complete the job and right on schedule in arriving on the job and completing the repairs. Although I was a considerable distance away from Edna, they kept in touch every step of the process and sent pictures when they were beneficial to my understanding of what they were doing. Their professionalism and integrity are outstanding."

*Sheryl Whitworth, Customer
Brady, Texas*

CBFR has been in business since 1998 in the greater Coastal Bend Region of Texas. Using The Hydraulic-Driven Piling System, CBFR has amassed over 2000 satisfied customers to date. With free and honest inspections, experienced crews, a life-time transferrable warranty and competitive prices, CBFR has earned the title of "Victoria's Leader in Foundation Repair." Locally owned and operated, CBFR's home office is located in Edna, Texas.

Meet the Crew

CBFR employs two full-time crews. Our crew leaders each have 15+ years of experience, with each crew member averaging 10-12 years experience in foundation repair. Our crew members exemplify honesty, excellent work ethic and respect for the customer and their occupations. Both crews have expertise with pier and beam and slab foundations.
